

Careers at Redhill School

Careers Intent: At Redhill School, we are committed to delivering high quality careers information, advice and guidance for all. Our Careers curriculum and associated activities are guided by our school values of honesty, kindness and respect. Our Careers curriculum is broad and designed to develop key skills, explore a variety of Post-16 options & destinations and provide students with a range of compelling learning opportunities.

The curriculum is based around the six key areas of: Discover, Explore, Focus, Plan, Decide and Apply. These areas support students in being able to make timely and informed decisions about their future beyond Redhill and making positive contributions as global citizens.
