

REDHILL NEWS

March 2019

Redhill School celebrated World Book Day on Thursday 7th March with English and Library staff dressed up as characters from books. There was a focus on Roald Dahl characters. Other staff teams joined the fun this year with Tin Tin and quite a few of "Where's Wally" making appearances.

All students had lesson starters during English lessons throughout the day to encourage sharing a story. Students wrote reviews based on a book they had enjoyed reading so that it would encourage someone else to read that book.

WORLD BOOK DAY

7 MARCH 2019

Years 7 and 8 also visited the Library where a selection of £1 books from Waterstones had been collected for them to choose from. Over 400 students went home with a free book.

Year 9 students were given a leaflet with discounted books advertised along with a £1 book token towards the price. There were vouchers available for Year 10 and 11 for those wishing to participate.

Once again the message to promote a love for reading was celebrated across the whole school and fun was had by all.

TEENAGE CANCER TRUST FUNDRAISER

Jasmine Quinton-Jones, year 10, has made her own packets of sweets, lollipops, bookmarks and cup cakes to sell in the Library on a Tuesday lunch-time in aid of Teenage Cancer Trust.

Following an assembly in school, Jasmine decided that she would like to raise funds for the Teenage Cancer Trust as part of her Duke of Edinburgh Bronze Award, volunteering section.

Initially Jasmine set her target for fundraising at £100 over three months. Having started selling her confectionary since February half term she has already raised £140.00 and has now raised her target to £200.

Jasmine is managing to do all of her preparation work on a weekend in readiness for selling on Tuesday. She is doing this on her own to raise funds and awareness of teenage cancer.

Well done Jasmine we know you can reach this new goal and thank you for all your time and effort in achieving this.

REDHILL'S MATHS FEAST TEAM

Maths Feast is a fun educational challenge for Year 10 students, which tests problem-solving and teamwork skills.

Once again Redhill School hosted the Maths Feast with teams of four students joining us from other schools to test their maths skills with the all-you-can-eat feast of problems!

The overall winners were one of the Beacon Hill Academy teams. We were unfortunate to have been pipped to the post.

Redhill's pupils did really well and should wear the badge they received with pride.

Thank you to Miss G Mills and Mr A Bashford for their support.

CAKE SALE

COMIC RELIEF
RED NOSE DAY

COMIC RELIEF
RED NOSE DAY

Thank you to everyone who contributed to the Red Nose Day Cake Sale by either baking or buying cakes.

We raised a massive £115.15 towards helping 850 projects around the globe, which include helping children to survive and thrive.

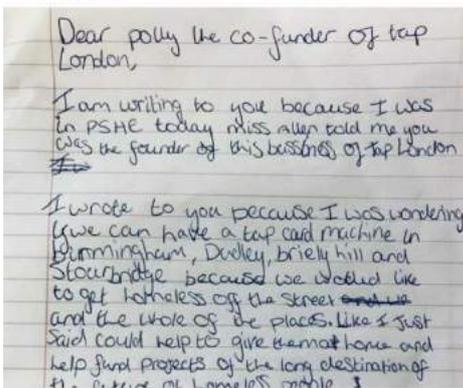

Well done all.

TAP London
Yesterday at 5:33 pm · 🌐

The wonderful Miss Allen told her PSHE students about TAP's work in tackling homelessness earlier this week. 📄 We never expected to get a handwritten letter from one of her brilliant & conscientious students. 📄 Taking pen to paper to respond now & thinking about expansion into Birmingham! Thanks for making our day, lovely student.
#helplondonshomeless #giveatap

INSPIRING PSHE

Year 8 have been learning about Homelessness as part of their Personal Social and Health Education lessons. One fantastic pupil, Jordan Breakwell, decided that more was needed in the West Midlands to help those in need. After learning about a friend of Miss Allen's who founded TAP London, Jordan decided to write to the charity to ask that they consider branching out and installing contactless donation points in Stourbridge, Dudley, Brierley Hill and Birmingham.

TAP London were so impressed with Jordan that they shared the letter on their Facebook page!

Well done Jordan, a great example of community and selflessness.

Miss L Griffiths

REDHILL'S GOT TALENT

Once again Redhill held auditions for the Redhill's Got Talent contest. They were held every lunchtime during week commencing 18th March, with pupils paying 50p entrance fee to see the auditions. £729.88 was raised over the five days.

A wide variety of talent took to the stage during the week, all vying for a chance to go forward to the finals which is being held on Monday 8th April 2019 at 6pm. Tickets are available from Reception at £1.50 each.

YEAR 9 BIG BANG STOURBRIDGE COLLEGE

Eve, Marium, Megan, Laiba, Jack, Danny, Adam and Noah were a credit to the school yesterday when they visited the college as part of a Big Bang Stem event. The pupils had the opportunity to take their own and dust for fingerprints, make balloon skewers, whizz pop and bang with Alka-Seltzer. Megan and Marium also generated the most energy with their wind turbine.

Danny is considering a career in engineering, whilst Marium is looking into opportunities to become a Doctor.
