1. Curriculum aims

Our curriculum aims/intends to:

- Provide a broad and balanced education for all pupils that's coherently planned and sequenced towards cumulatively sufficient knowledge for skills and future learning and employment
- Enable pupils to develop knowledge, understand concepts and acquire skills, and be able to choose and apply these in relevant situations
- Support pupils' spiritual, moral, social and cultural development
- Support pupils' physical development and responsibility for their own health, and enable them to be active
- Promote a positive attitude towards learning
- Ensure equal access to learning for all pupils, with high expectations for every pupil and appropriate levels of challenge and support
- Have a high academic/vocational/technical ambition for all pupils
- Equip pupils with the knowledge and cultural capital they need to succeed in life
- Provide subject choices that support pupils' learning and progression, and enable them to work towards achieving their goals
- Provide a broad curriculum prioritising a strong academic core of subjects, such as those offered in the EBacc
- Develop pupils' independent learning skills and resilience, to equip them for further/higher education and employment

2. Legislation and guidance

This policy reflects the requirements for academies to provide a broad and balanced curriculum as per the [Academies Act 2010](#), and the [National Curriculum programmes of study](#) which we have chosen to follow.

It also reflects requirements for inclusion and equality as set out in the [Special Educational Needs and Disability Code of Practice 2014](#) and [Equality Act 2010](#), and refers to curriculum-related expectations of governing boards set out in the Department for Education's [Governance Handbook](#).

3. Roles and responsibilities

3.1 The governing board

The governing board will monitor the effectiveness of this policy and hold the headteacher to account for its implementation.

The governing board will also ensure that:

- A robust framework is in place for setting curriculum priorities and aspirational targets
- The school is complying with its funding agreement and teaching a "broad and balanced curriculum" which includes English, maths, and science, and enough teaching time is provided for pupils to cover the requirements of the funding agreement
- Proper provision is made for pupils with different abilities and needs, including children with special educational needs (SEN)
- All courses provided for pupils below the age of 19 that lead to qualifications, such as GCSEs, are approved by the secretary of state
- The school implements the relevant statutory assessment arrangements
- It participates actively in decision-making about the breadth and balance of the curriculum
- It fulfils its role in processes to disapply pupils from all or part of the National Curriculum, where appropriate, and in any subsequent appeals
- Pupils from year 8 onwards are provided with independent, impartial careers guidance, and that this is appropriately resourced

3.2 Headteacher

The headteacher is responsible for ensuring that this policy is adhered to, and that:

- All required elements of the curriculum, and those subjects which the school chooses to offer, have aims and objectives which reflect the aims of the school and indicate how the needs of individual pupils will be met
- The amount of time provided for teaching the required elements of the curriculum is adequate and is reviewed by the LGB

3.3 Other staff

Other staff will ensure that the school curriculum is implemented in accordance with this policy.

4. Organisation and planning

- The curriculum covers the following, to separate school policies on these areas may be relevant:
 - Relationships and health education
 - Relationships and sex education (if applicable)
 - Spiritual, moral, social and cultural development
 - British values
 - Careers guidance

5. Inclusion

Teachers set high expectations for all pupils. They will use appropriate assessment to set ambitious targets and plan challenging work for all groups, including:

- More able pupils
- Pupils with low prior attainment
- Pupils from disadvantaged backgrounds
- Pupils with SEN
- Pupils with English as an additional language (EAL)

Teachers will plan lessons so that pupils with SEN and/or disabilities can study every National Curriculum subject, wherever possible, and ensure that there are no barriers to every pupil achieving.

Teachers will also take account of the needs of pupils whose first language is not English. Lessons will be planned so that teaching opportunities help pupils to develop their English, and to support pupils to take part in all subjects.

Further information can be found in our statement of equality information and objectives, and in our SEN policy and information report.

6. Monitoring arrangements

Governors monitor whether the school is complying with its funding agreement and teaching a “broad and balanced curriculum” which includes the required subjects, through:

- School visits, Curriculum reports to LGB, meetings with the school leader, visits to departments and discussion with subject leaders, reports from work reviews.

Heads of department/subject leaders/curriculum leaders monitor the way their subject is taught throughout the school by:

Heads of department/subject leaders/curriculum leaders also monitoring the way in which resources are stored and managed.

This policy will be reviewed annually by the headteacher & governor.
